**IMPORTANT**

**At the beginning of the oral examination, you must produce a legally valid identity document. If you applied for a reserved position, you should be also aware that no scholarships will be granted by UNINA for such positions. To be admitted to such positions, you must demonstrate to have a scholarship awarded from a non Italian University/Authority/Company covering the whole period of the PhD Program (from 1<sup>st</sup> November 2015 to 31<sup>st</sup> October 2018). To this aim, at the beginning of the oral examination, the Commission will ask you to produce suitable documents certifying your scholarship.**
